GIVE YOUR SINK
A SOUS-CHEF

EVERYDAY STYLE NEW RELEASE IN 2019

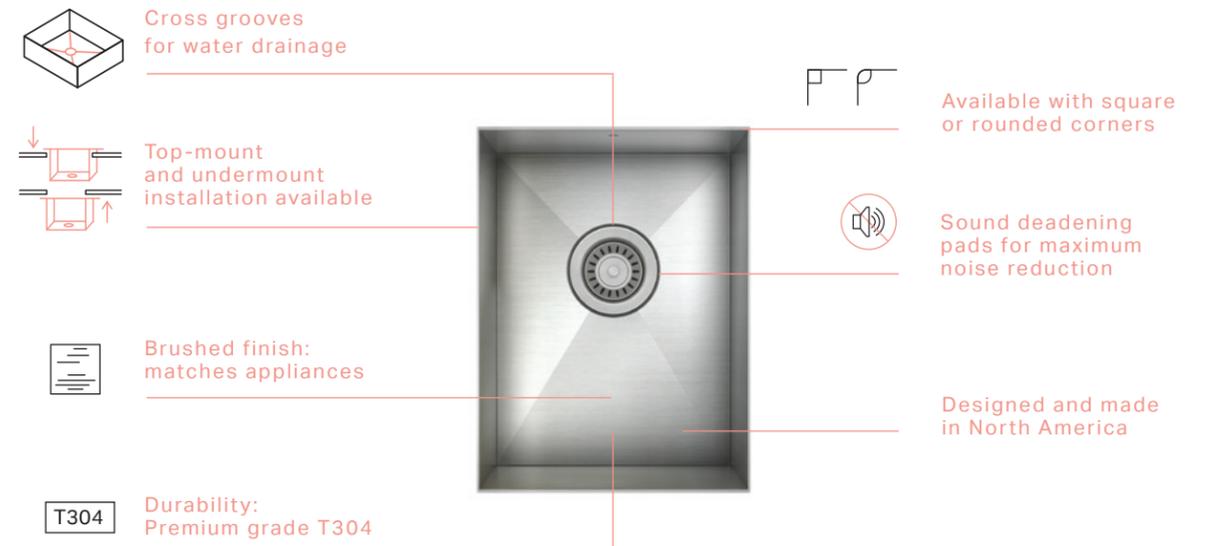

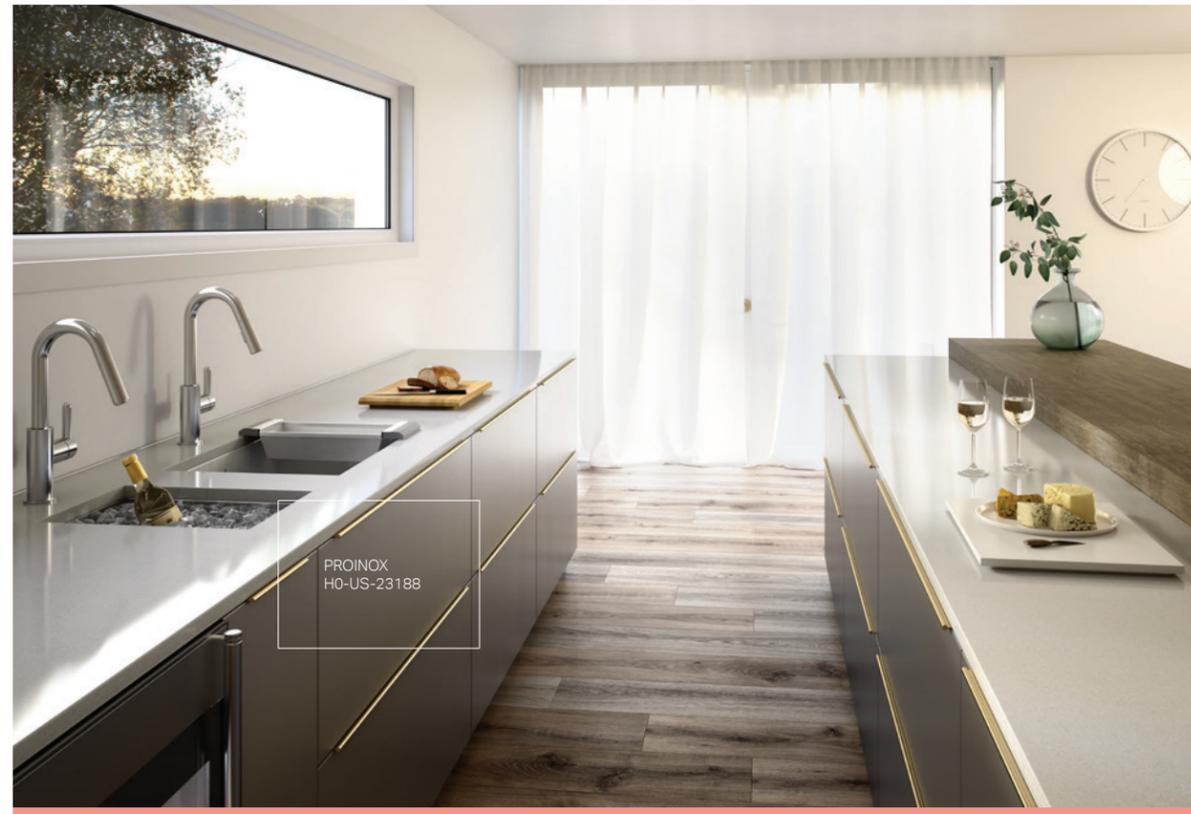

MORE OF A GOOD THING

A wet bar sink makes everything easier. From cutting veggies to preparing drinks to chilling a bottle of Chablis, you can never have too much help... or too many sinks. So next time, put your friends and family to work at the wet bar sink. And because every part of your kitchen should be the perfect mix of form and function, you can

easily create more counter space by putting a cutting board over the bar sink!

Whether your kitchen is modern, traditional or a bit of both, we've got you covered. A bar sink blends seamlessly into any decor. Simple, elegant and hard-working. Just what the recipe calls for.

- Made from high-quality, durable stainless steel
- Available with square or rounded corners
- Great for prepping fruits and veggies
- Perfect for chilling drinks

PROINOX

The ProInox H75 series is perfectly adapted to your frenetic family life, and its slightly rounded edges make it a breeze to clean.

The ProInox H0 series features a modern, minimalist look that will become a signature element of your kitchen, while the sharp 90-degree corners maximize sink space.
