BRING COLOR
INTO YOUR KITCHEN

EVERYDAY STYLE NEW RELEASE IN 2020

NEW | PROINOX H75

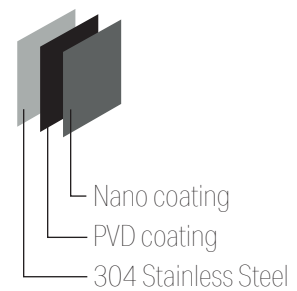

DARE TO ADD A COLORFUL TOUCH

Let your sink be more than just a sink; make it a statement piece. The ProInox H75 collection brings color to your kitchen with its black stainless steel sinks.

With combined Nano + PVD coating technologies, the black stainless steel sinks are not only extremely durable, they have an enhanced resistance to scratches as well as water repellent properties for easier maintenance.

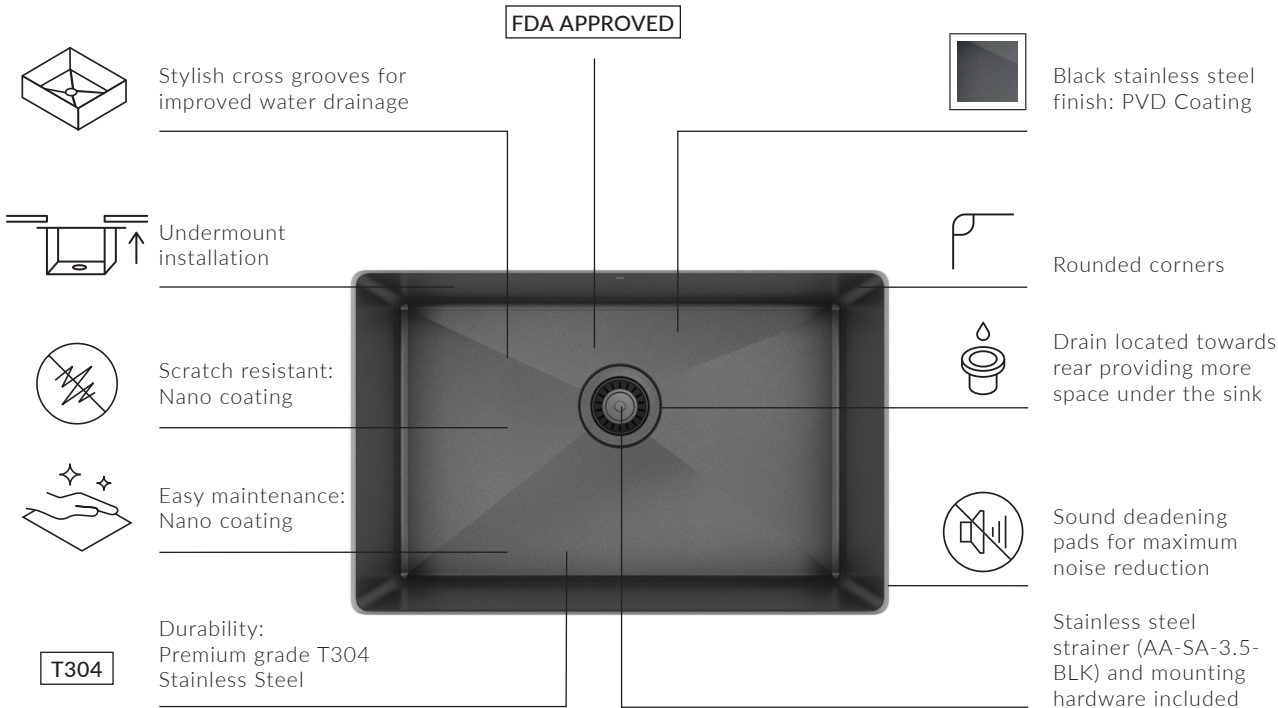

Sleek with a modern expression, the black finish will surely make your sink the focal point of the room!

- High quality 304 stainless steel construction
- Gunmetal black PVD coating technology
- Scratch-resistant and carefree maintenance Nano coating technology

— CHIC AND STYLISH

Product certified ASME A112.19.3, CSA B45.0, and CSA B45.4, FDA, ASTM D3363-05

PROINOX

The ProInox H75 collection is perfectly adapted to your bustling family life with slightly rounded corners that make it a breeze to clean and save you valuable time.

The new black stainless steel sinks are built from high quality 304 stainless steel. Two coatings are then applied to the product. First, a PVD coating (stands for physical vapor deposition) adds the black tint to the material. Then, a Nano coating is pulverised which makes the surface water repellent for increased ease of cleaning. The Nano technology also makes the surface practically impossible to scratch.

PROINOX H75 SINK

MODEL	IH75-US-271810-BLK	IH75-US-321810-BLK	IH75-UR-331810-BLK
